

## 2019 WERC Design Contest FAQ

[werc@nmsu.edu](mailto:werc@nmsu.edu)

### Track 1: Government Need

- **Task 1: Silver-based Microbial Check Valve for spacecraft potable water systems**

**Q1:** Will we be provided a specified silver species or are we responsible for bringing our own silver?

**A:** students would bring their own silver source, whether silver sacrificial source or salt or ...etc.
